DOCKET NO. 94-234-C - ORDER NO. 94-513

JUNE 2, 1994

IN RE: Request of Hargray Telephone Company, Inc.   )   ORDER
       for Revisions to its General Customer   )   APPROVING
       Services Tariff to Introduce Direct-Inward   )   TARIFF
       Dialing and Sharing and Resale Exchange   )
       Service (TN 94-69).   )

        This matter comes before the Public Service Commission of

South Carolina (the Commission) on the Application of Hargray

Telephone Company, Inc. (Hargray or the Company) for approval of

Direct-Inward Dialing Service and Sharing and Resale Exchange

Service as new offerings. These provisions would be additions to

the General Customer Services tariff of the Company.

        The Commission's Executive Director instructed Hargray to

publish, one time, a prepared Notice of Filing in newspapers of

general circulation in the affected areas. The purpose of the

Notice of Filing was to inform interested parties of Hargray's

Application and the manner and time in which to file the

appropriate pleadings for participation in the proceeding.

Hargray complied with this instruction and provided the Commission

with proof of publication of the Notice of Filing. A Petition to

Intervene was filed by Integrated Network Solutions, Inc.

(Integrated). Subsequently, by letter, Integrated requested

permission to withdraw its intervention.

The question of approval of the tariff is now before the Commission. The Commission has examined this matter and believes that the tariff as presented to the Commission is a reasonable one in terms of the shared tenants service type offerings provided. The Commission therefore believes that the tariff is in the public interest and should be approved.

IT IS THEREFORE ORDERED THAT:

1. The request to withdraw intervention by Integrated Network Solutions, Inc. is hereby granted.

2. The tariff as filed by Hargray is hereby approved.

3. This Order shall remain in full force and effect until further Order of the Commission.
